

Barry O's Barbecue Challenge

Latest Version: 24.07.04

Release Notes

Updating your Barry O's Barbecue Challenge machine is a simple process.

To install the update:

- 1) Download the update package and copy it onto a USB stick (FAT32 formatted, minimum 4 GB (no larger than 64GB)
- 2) Turn on your Barry O's Barbecue Challenge machine.
- 3) Open the coin door and find the USB extension cable anchored to the left side wall of the cabinet.
- 4) Insert the USB stick into the extension cable.
- 5) After a few seconds, the display will indicate that code is being updated. The code update process takes approximately 10 minutes.
- 6) An on-screen message will advise when the update process is complete. Shut down the game, remove the USB stick, wait 10 seconds, and power the game on.
- 7) Return to the Barbecue Festival!
